The Reality Check · from Wr0ngWaay

Free cash checks for your business

Plain-English answers to the money questions that keep owners up at night. Free. No sign-up. Your numbers never leave your screen.

PICK THE QUESTION ON YOUR MIND

- **Will I have enough cash for the next 13 weeks?**
- **How long does my cash last if things stay like this?**
- **What happens if my biggest customer leaves?**
- **Am I paying myself what my work is worth?**
- **Can I afford to hire a salesperson?**
- **Can I afford this big purchase?**
- **Can I afford to start a business?**
- **Cash is already tight. Where do I start?** Free help, no price, ever.

realitycheckcfo.com/start

Open it on your phone or computer, pick a question, and type in your numbers. You get a plain read of what they mean and what to look at first. Each check has a worked example if you want to see one filled in.

What we promise: your numbers never leave your screen; nobody calls you; the checks are free. Got stuck? Tell us where at support@realitycheckcfo.com. A person reads every note.

> *"Cash to a business is like altitude to a pilot. It gives you options." — MJ, forty years in finance*
